With Avalon

If you're renting now but dreaming of owning a home, this program is for you. When you buy a home with Avalon Realty & Oaktree Management, we'll cover your last month's rent.

Why renters love this program:

- A smooth transition from renting to owning
- Expert guidance every step of the way
- No out-of-pocket cost for agent services, the seller pays the buyer's agent commission
- Financial savings when you buy your home

It's a smarter way to move from renting to owning, and we're here to make it happen.

Here's how it works:

Rent Now

Choose any rental home, at any price, for any lease term that fits your lifestyle.

Buy Later

When you're ready to buy, let us know a few months before your lease ends. One of our experienced agents will guide you through the entire home-buying process. At closing, you'll receive a credit toward your purchase, equal to up to one month's rent or 1% of the purchase price (whichever is less), subject to lender approval.
